Christmas @ the Library: A Festival of Trees

The holiday season will soon be upon us and now is the time to register to participate in the annual Christmas at the Library: A Festival of Trees. Spaces are available for holiday displays and decorated trees of all sizes but only a few have access to electricity. This is an excellent way to show off your themed collection, organization, or business while sharing the holiday spirit with the community. Items may be on display anytime from the week of Thanksgiving to the first week of the New Year. If you would like to share your holiday display or decorated tree, please stop by the library for more information and to reserve a spot.

A generous member of our community has been volunteering her time to provide Math Tutoring to anyone who needs it. Our math tutor does have an open time slot.

Please contact the library if you are interested in tutoring or would like more information.

Youth Advisory Committee (YAC)

Are you a teen or do you know a teen who would be interested in providing their own input about book purchases, events and programs at the library?

We are looking for members for our YAC group and will be accepting applications for the group throughout the month of November. Stop in and grab an application today!

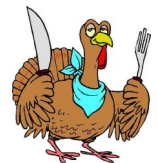

No School Movie Day

Come to the library with a snack and a pillow on Friday, November 9 at 1:30PM to sit and relax for a movie. We will be playing a kid's movie in the Program Room and will end at 3:00PM.

The week before Turkey Day on Thursday, November 15 at 6:00PM, will be an evening story time filled with books the kids will GOBBLE UP! Bring the whole family to this fun evening story time where we will read books and do crafts, all with visions of cranberry sauce dancing in our heads!
