### 1000 Books Before Kindergarten

This program encourages parents to read to their child from the first moments of their life and on, promoting a love for reading and learning as they grow.

All pre-kindergarten aged children, and their parents, are encouraged to participate.

Children are rewarded for every 100 books read and progress is tracked on the 1000 Books Journey Wall, located in the children's area. To start, fill out a form at the circulation counter to receive your first tracking sheet.

### School and the Library:

A library card is necessary for your child to check out materials/computers they may need for school work. Anyone over six years old may apply for a library card. Children under the age of 14 must also have a parent or guardian signature. Adults need proof of current name, address, phone number and a photo ID, in order to obtain a library card.
