SUMNER PUBLIC LIBRARY FOUNDATION (SPLF)

What is SPLF?

Just as the foundation of a home provides stability to its structure, the SPLF provides continued stability and support to the Library.

SPLF is a non-profit entity providing long term supplementary support for the Library: its mission, purposes, services, building, and site.

Why donate?

Donations to SPLF are tax deductible and do not replace the day to day budget of the Library. By contributing to the SPLF, donors ensure the Sumner Public Library will continue to enhance our community with materials and services to educate and entertain long into the future.

Recent History:

2018: SPLF purchased: Security cameras, bike rack, wooden book bench, large planters and LED flagpole lighting.

2019: Thanks to the generous memorial gift in memory of Don William Meyerhoff, the computer room was completely remodeled: cubicles removed, new paint, carpeting, LED lighting, shelving, and meeting table.

2020: The SPLF continues to provide funds for additional programs, services, and materials. This would not be possible without continued donations and memorials to the Sumner Public Library Foundation.

GARDENING WORKSHOP:

2:00-3:00PM on Monday, March 9 &

5:30-6:30PM on Tuesday March 17.

Learn about planning your garden, choosing your seeds/plants, starting seeds indoors, transplanting and more. Handouts will be provided.

Pre-registration is encouraged.
