Library Volunteers:

Volunteers are a vital part of the Sumner Public Library. The success of the Summer Library Program would not have been possible without them. A huge thank you to the following junior and adult volunteers for all their hours of hard work!

Donna Barner	Keeley Meyer
Mercadees Dahlstrom	Chloe Bolte
Isabel Christensen	Claire Rucker
Leah Rucker	Sydney Wood
Anna DeSloover	Ainsley Teeling
Wren Masters	Saul Kuhlman
Riley Larson	

Some people volunteer on a regular basis each week, while others help with special projects or programs at certain times of the year. Each volunteer brings their own talents and abilities to the library to help keep it organized and running smoothly. Please contact us if you would like to share your talents with the community by volunteering at the library.

Bremer County Naturalist Monarch Program:

School and the Library:

A library card is necessary for your child to check out materials/computers he or she may need for school work. Anyone six years or older may sign up for a library card. Children under the age of 14 must also have a parent or guardian sign the application. All you need is proof of current name, address, phone number and a photo ID, in order to obtain a library card.

1000 Books Before Kindergarten:

This program is for children from birth to the first day of school. *1000 Books Before Kindergarten* encourages parents to read to their child from the first moments of their life and on, encouraging a love for reading and learning as they grow. All pre-kindergarten aged children, and their parents, are encouraged to participate in this great program. Children are encouraged to read in 100 book intervals with incentives for each 100 book milestone reached. Stop in and sign up your pre-kindergarten aged children and join the challenge to read *1000 Books Before Kindergarten!*

Take our survey:

The Sumner Public Library is always interested in your feedback and your participation in library activities. Please take the time to stop in or visit our website to take our survey about programs, library materials, and activities. The survey will be available throughout the month of August.
